My Art History

I am a Junior at Queens College
Studying Graphic Design.

I was invited to Display artwork at St.
Johns University in 2016 and was Part
of the Holy Cross High School art
show twice.

I received the Art award of my Senior
class as well.

Growing up in Queens, New York, it's
impossible not to notice design
everywhere you go. Illustration has
gone from a hobby, to my passion.

I now sell my artwork, prints, and do
commission work all on my
Instagram.
